

Research Dissemination Award

The Research Dissemination Award recognizes an individual or group who has made a major contribution to the dissemination of research for use in clinical nursing practice, education, administration, research, and/or public knowledge.

Dissemination of research findings refers to a systematic effort or project that is directed toward making the essentials of completed research available to nurses or to the public in an accessible and usable format.

Call for Entries opens
1 November 2006

Deadline
1 March 2007

Entry fee
US \$45

The fee structure for nominations outside the U.S. will be set according to World Bank classifications based on per capita income designated as low, middle and high.

Submission guidelines
Award entries must be submitted via the online submission system. Instructions are available at www.nursingsociety.org/programs

Judging
Qualified judging panels representing strong talent and expertise are appointed.

Notification
Nominees and recipients will be notified of the judges' decision by 1 July 2007.

Presentation
All awards will be presented at the honor society's 39th Biennial Convention in Baltimore, Maryland on 3-7 November 2007.

CRITERIA

The project or program:

- Has the primary purpose of imparting new nursing research knowledge to nurses and/or the non-nursing community.
- Contains scientific merit and synthesis of existing research as an essential component.
- Has been made available in a convenient manner and at a reasonable cost and is presented in a form that is helpful and useful. Examples include: television or radio talk shows, public service announcements or programs; newspapers, magazines or books; video or audio tapes; meetings or conferences; promotional campaigns.
- Is packaged in a manner that will attract attention and provide information to benefit nurses and the non-nursing community

SUBMISSION REQUIREMENTS

A complete nomination consists of:

- Online entry form and payment
- One- to two-page documentation of having fulfilled the criteria and further elaboration on the project's qualifications.
- Two letters of support addressing how the project meets the criteria.
- Sample of final product (scanned newspaper articles, video clip, etc.), if applicable.
